

Terms of reference for the appointment of a service provider to supply and install security equipment.

1. Purpose

The NCR would like to appoint a service provider supply and install security equipment.at 127-15th Road, Randjespark, Midrand.

2. Scope of work

The required work is listed below:

- The gate rack at the main entrance gate is damaged which causes the gate not to run straight.
- The pedestrian gate lock is worn out. A striker lock needs to be procured and installed.
- Equipment need to be procured for the outdoor beams to work.
- Move one recorder to the security guard house. One server rack needs to be supplied to secure the recorder in the guard house.

3. Pre - requisites

- 3.1.1 The bidder must be registered on the Central Supplier Database (CSD). Proof of registration must be provided.
- 3.1.2 The service provider must have attended a compulsory site visit.
- 3.1.3 The service provider must be registered with the Private Security Industry Regulatory Authority (PSIRA). Proof must be submitted.
