ANNEXURE A

Background to Parliament

The Constitution of the Republic of South Africa sets a single, sovereign democratic state where government is constituted as national, provincial and local spheres of government which are distinctive, interdependent and interrelated. On the national sphere governance is effected through Parliament, the Executive and the Judiciary.

Parliament represents the people and ensures government by the people under the Constitution, as well as represents the provinces in the national sphere of government.

In this Parliament's vision is to build an effective people's Parliament that is responsive to the needs of the people and that is driven by the ideal of realising a better quality of life for all the people of South Africa.

- 32 Service Level Agreements, where applicable, will be concluded with the successful service provider.

Subcontracting

- 33 A person awarded a contract may not sub-contract any part of the contract after an award has been made. Bidders must indicate upfront their intention to sub-contract and submit the sub-contractors relevant documentation.

Other

- 34 Parliament may amend or cancel this Bid before the award should Parliament deem it necessary.

Security and occupancy

35 Security

All the areas covered by this contract fall within areas defined in the relevant Security and Access Acts as “Restricted Areas” and all of the provisions of these Acts will apply to this contract.

All buildings involved in this contract are subject to stringent access control for all personnel and for materials delivered to and removed from the site. In addition, all workmen and staff on site or in any way involved in this contract are subject to **prior** security clearance.

Bidders will be required to submit a list of the minimum sufficient persons required affecting the work on site plus those directly involved on site with this contract. If any person is rejected for security reasons Bidder will be required to replace them on their list. If the Bidder is ultimately unable to offer personnel with satisfactory security clearance his Bid may be rejected on such grounds.

Any person rejected by the SAPS for failing to meet the security requirements, inclusive of security clearance, wandering away from an escort or from the immediate contract area, or any misconduct on the site will immediately, without any recourse by the Contractor, be removed from site and refused re-entry to site. This refusal to site shall be in addition to any legal action the SAPS may institute.

Successful Bidder will be required to hand in to the Department within Forty-Eight (48) hours after being requested, following formal acceptance of the Bid, the following information:

- Full names of each of the persons intended to be utilized on site, including supervisory staff.
- Position in firm plus service to be performed.
- Intended areas they will be working in.
- A copy of Identification Document, certified as a true copy of the original by the SAPS. – Such document shall be the original certified copy.
- Home address.

The Bidder are recommended to have such documentation, both for their own staff and for their Sub-contractors, if applicable, available prior to the closing date of Bids so as to minimise delays in security clearance of personnel once the Bid is awarded.

Any time lost due to delays in submitting the called for list of personnel required entering site, the rejection of personnel on the list, or the subsequent removal and banning from site of personnel will not be accepted as motivation for extension of the contract period.

Such clearance for this project shall remain valid for a period not exceeding 12 months and shall only apply for this project.

In addition, the Oath of Secrecy form attached to this Bid document shall be fully completed and every person having necessity to observe or work with any part of documentation relating to this project is it on or off site.

Legible copies of the Oath of Secrecy document may be made. *(will be provided to the successful bidder)*

36 Safeguarding of documents

This project has been classified by the authorities as “Confidential”. As such, all specifications and drawings must be kept in a safe place at all times, and under no

circumstances may they be shown or distributed to parties not directly concerned with the project.

All documents will be individually numbered on issue and records kept as to what documents have been issued to whom.

It will be the responsibility of the service provider to ensure that drawings do not get issued to unauthorized persons, that all superseded drawings are kept in a secure place until they have been destroyed, and that current drawings are kept in a safe and secure environment.

All documents issued to sub-contractors or suppliers must be signed for, and such sub-contractors and suppliers must also accept responsibility for the safeguarding of such documents while they are in their possession.

All documentation shall be strictly handled as set out in the NIA Minimum Information Security Standards (MISS), a copy of which shall be provided to the successful contractor at the time of site hand over.

It will be the main contractor's responsibility to familiarise themselves with the MISS document and make sure his personnel and sub-contractors are advised accordingly.

Bidders must maintain strict confidentiality relating to all information provided by Parliament, Members of Parliament and Parliament officials in line with the provisions of the Protection of Personal Information Act, 2013 (Act 4 of 2013).

37 General Conditions of Contract (GCC)

- a) Parliament cannot award contracts to provide goods or services to a Member of Parliament or Cabinet, a Member of a Provincial Legislature or Member of a Provincial Executive Council, a municipal councillor, a person in the employ of the state whose participation in bidding for the contract may result in a conflict of interest, or any entity in which any of the mentioned persons is a Director or has controlling or other substantial interest.
- b) Where a joint venture / partnership submits an offer for this bid, a joint venture / partnership agreement must be attached, which specifies the names of the companies that have formed the joint venture / partnership, the name of the joint venture / partnership. Companies that are members of the joint venture / partnership will be individually required to comply with tax compliance requirements by the South African Revenue Services (SARS).
- c) Parliament reserves the right, for purposes of promoting the values of competitiveness and fairness, not to award the bid to the highest scoring bidder, if such bidder has been awarded a bid by Parliament or has performed services for Parliament during the last twelve (12) months prior to the closing date of the bid.
- d) In terms of Section 4(1) of the Competition Act No.89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is/are or a contractor/s was/were involved in:
 - i. Directly or indirectly fixing a purchase or selling price or any other trading condition,
 - ii. Dividing markets by allocating customers, suppliers, territories or specific types of goods or services, or
 - iii. Collusive bidding.

1. BACKGROUND

Parliament of the Republic of South Africa's signage and wayfinding across its buildings is inconsistent in design, application of the corporate identity (CI), and physical condition. The Secretary to Parliament (STP) has prioritised a phased refresh of internal and external signage to project a coherent institutional identity, improve visitor and staff wayfinding, and support accessibility.

The procurement scope comprises internal and digital signage and office branding for the revamped 3rd, 4th, 8th, 9th and 10th floors at 90 Plein Street; internal and digital signage and office branding within the NCOP, including the Queen's Hall feature branding; internal, external and digital signage, office branding, wayfinding and pylon signage for the Good Hope Building; and external, digital and precinct signage across the identified Parliament precinct locations, including street-facing signage at 90, 100 and 120 Plein Street and external signage associated with the NCOP and Good Hope.

The appointment will cover the design, manufacture, supply, delivery, installation and approved maintenance requirements for the signage included in this bid.

2. OBJECTIVES

The broad objectives of this RFB include:

- 2.1. To provide prospective service providers with adequate information to understand and respond to Parliament's requirements for the design, manufacture, supply, delivery, installation and ongoing maintenance of internal and external digital signage and wayfinding elements, including digital signage, across Parliament's precinct buildings.
- 2.2. To ensure uniformity in the responses received from each prospective service provider.
- 2.3. To provide a structured framework for the evaluation of proposals.

3. PURPOSE OF THE REQUEST FOR BIDS (RFB)

3.1. Parliament seeks to appoint a suitable service provider to:

- 3.1.1. Design, manufacture, supply, deliver and install internal and external digital signage and wayfinding elements specified in this bid.
- 3.1.2. Provide maintenance services for a period of five (5) years.

- 3.2. This RFB aims to contract with a suitably qualified service provider with the capacity to execute the required services to the specified quality, scope, timeframe and cost.

4. SCOPE OF THE REQUIRED SERVICE

- 4.1. The successful bidder will be required to provide the following services in the following identified buildings and spaces/areas:

- (a) South African Pricing - The total price must be VAT inclusive and be quoted in South African Rand (ZAR).
- (b) Total price:
 - (i) All quoted prices are the total price for the entire scope of required services and deliverables to be provided by the bidder.
 - (ii) All additional costs as well as cost of delivery, labour, S&T, overtime, etc. must be included in this bid.
 - (iii) All services, accessories, upgrades and options required by the solution or specified by the client must be included in the quoted price. If not included, suppliers will be required to supply these accessories at no cost to the client.
 - (iv) Parliament reserves the right to negotiate pricing with the successful bidder prior to the award as well as envisaged quantities
- (c) These conditions will form part of the Contract between Parliament and the bidder. However, Parliament reserves the right to include or waive the condition in the Contract.

- (d) The bidder must complete the declaration of acceptance as per **par 6.4.2** below by marking with an “X” either “ACCEPT ALL”, or “DO NOT ACCEPT ALL”, failing which the declaration will be regarded as “DO NOT ACCEPT ALL” and the bid will be disqualified.

Declaration of Acceptance

	ACCEPT ALL	DO NOT ACCEPT ALL
1. The bidder declares to ACCEPT ALL the Costing and Pricing conditions as specified in par 6.4.1 above by indicating with an “X” in the “ACCEPT ALL” column, or 2. The bidder declares to NOT ACCEPT ALL the Costing and Pricing Conditions as specified in par 6.4.1 above by – (a) Indicating with an “X” in the “DO NOT ACCEPT ALL” column, and; (b) Provide reason and proposal for each of the condition not accepted.		
Comments by bidder: Provide the condition reference, the reasons for not accepting the condition.		

Bid Pricing Schedule

- (a) The bidder must complete in full all the preference requirements.
- (b) Allocation of points per requirements: The points allocation of bidders’ responses to the requirements will be determined by the completeness, relevance and accuracy of substantiating evidence.
- (c) Points will be allocated for each preference requirement as per the criteria set in each section in the table below.
- (d) The bidder must provide a unique reference number (e.g. binder/folio, chapter, section, page) to locate substantiating evidence in the bid response. During evaluation, Parliament reserves the right to treat substantiation evidence that cannot be located in the bid response, as “NOT COMPLIANT”.
- (e) Preference Goal Requirements:
- The applicable Preference Point system for this tender and points claimed is 80/20
 - The specific Preferential Goal Requirements for this tender is indicated in table 3 below.

- (iii) Failure on the part of a bidder to the 80/20 preference point systems and submit proof or documentation required in terms of this tender to claim preference points for the Preference Goal Requirements, will be interpreted to mean that preference points for specific goals are not claimed.
- (iv) Bidders must indicate how they claim points for each of the preference points by signing at par/section ____ in the Invitation to bid document.
- (v) Failure on the part of a bidder to submit proof or documentation required in terms of this tender to claim preference points for the Preference Goal Requirements for this tender, will be interpreted to mean that preference points are not claimed.
- (vi) The Bidder's commitment for the Preference Goal Requirements in this tender will be legally binding and the Bidder needs to perform against their commitment for the duration of the contract which will form part of the Contractual Agreement.
- (vii) Bidders need to keep auditable substantive records / evidence and upon request by Parliament must be made available for audit and, or due diligence purposes.
- (viii) Parliament reserves the right to require from a Bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim with regards to preferences, in any manner required by Parliament.
- (ix) Parliament reserves the right to verify information / evidence provided by the Bidder.

9. SPECIFIC CONDITIONS

- 9.1. Indicative measurements in Addenda A and B are for planning purposes only. Notwithstanding any measurements Parliament supplies, bidders must independently verify and remeasure all relevant dimensions on site before fabrication. Parliament accepts no liability for signage manufactured to incorrect dimensions where the appointed provider has failed to independently verify measurements.
- 9.2. This appointment covers physical/dimensional and digital signage as an integrated scope. A bidder that does not have the required digital or specialist capability in-house may partner with or subcontract an appropriately qualified specialist, subject to full disclosure and Parliament's applicable evaluation and compliance requirements.
- Where any part of the work will be subcontracted, the bidder must disclose the proposed subcontractor and provide evidence of its relevant capability, experience and assigned resources. Subcontractors will be subject to the same applicable verification, evaluation, security and compliance requirements, while the bidder remains contractually responsible for all deliverables.
- 9.3. Where a joint venture / partnership submits an offer for this bid, a joint venture / partnership agreement must be attached, which specifies the names of the companies that have formed the joint venture / partnership, the name of the joint venture / partnership. Companies that are members of the joint venture / partnership will be individually required to comply with tax compliance requirements by SARS.
- 9.4. Bidders must certify that the personnel identified in its response to this bid will be the persons actually assigned to Parliament of the RSA. Any changes in the personnel from those identified in the response to the bid must be approved by Parliament. Parliament may, at its discretion, require the removal and replacement of any of the service provider's personnel who do not perform adequately. The replacement personnel must meet the same minimum requirements outlined in this document.
- 9.5. Prospective bidders may submit their questions to tenders@parliament.gov.za or contact the person assigned to deal with enquiries on the advertisement for this bid.
- 9.6. The successful bidder/s and its employees must comply with Parliament security clearance and must be willing to sign confidentiality or non-disclosure agreement.
- 9.7. Parliament may request bidders to provide additional pricing information to be utilised for comparative purposes during evaluations.

- 9.8. Parliament reserves the right to invite shortlisted bidders to make presentations to its evaluation team.
- 9.9. Parliament reserves the right not to award this bid in total or part thereof.
- 9.10. Parliament of the RSA reserves the right to award this bid to one or more bidders.
- 9.11. Parliament reserves the right, for purposes of promoting the values of competitiveness and fairness, not to award the bid to the highest scoring bidder, if such bidder has been awarded a bid by Parliament or has performed services for Parliament during the last twelve (12) months prior to the closing date of the bid.
- 9.12. All relevant clearances and/or memberships must be submitted to Parliament of the RSA upon the renewal throughout the duration of the contract.
- 9.13. Bidders must maintain strict confidentiality relating to all information provided by Parliament, Members of Parliament and Parliament officials in line with the provisions of the Protection of Personal Information Act, 2013 (Act 4 of 2013).
- 9.14. Only responses from bidders who are registered as a Supplier on National Treasury's Central Supplier Database (CSD) in terms of National Treasury's Instruction Note 4A of 2016/17 will be considered for award on this RFB.
- 9.15. Digital signage must form an integrated part of the appointment and must be compatible with Parliament's existing ICT infrastructure. Proposed hardware, software, data and network requirements must be reviewed with Parliament's ICT representatives prior to implementation. Solutions must utilise industry-standard, non-proprietary technologies and open protocols wherever practicable to avoid unnecessary proprietary dependency and allow suitably qualified service providers to maintain or support the system in future.
- 9.16. The successful bidder must ensure compliance with Heritage Council requirements for all external elements on or near heritage sensitive structures, including cooperation with Parliament's heritage approvals workstream.
- 9.17. All signage and wayfinding items and workmanship must have a minimum of twelve (12) months guarantee or warranty period. Defect items must be replaced at the cost of the successful bidder. It shall be the responsibility of the successful bidder to ensure that the defect items are returned to the manufacturer, where applicable.
- 9.18. The maintenance and support period shall kick-in when the Original Equipment Manufacturer (OEM) warranty or guarantee periods lapse.
- 9.19. Parliament will be responsible for obtaining all heritage approvals.

9.20. Upon arrival in the Parliament precinct, the assigned team must adhere to all Health & Safety protocols.

ANNEXURE E: CONTRACTUAL OBLIGATIONS

Conditions and Procedures to be complied with as part of the Contract with Parliament.

1. STATUTORY REQUIREMENTS

All persons employed by the Contractor working within the premises of Parliament shall comply with the Regulations of the Occupational Health and Safety Act, Act No. 85 of 1993 as amended.

The Contractor shall designate, in writing, one of his full time employees in terms of the provisions of General Safety Regulations or Section 8 of the Occupational Health and Safety Act who shall be in charge of work on site.

The above designation shall be made before work commences on site. The appointed person, for inspection purposes, shall hold one copy on site and a duplicate copy shall be handed to NDPW / WSP employee in charge of that particular project.

The Contractor shall instruct his authorised site representative to report to the NDPW / WSP employee who is in charge of the project.

2. GENERAL REGULATIONS

The Contractor shall submit a list of all portable electrical tools and equipment to security before permission is granted to enter or leave the premises. Vehicles will be subjected to a search before entry and when leaving the premises.

Contractors are not permitted to stay on the premises after their shift has been completed.

The Safety, Health and Environmental Manager (hereinafter the Safety Manager) must authorise any work, which could affect or interfere with normal activities of Parliament.

All excavation work must be railed off or barricaded, debris or material, which cannot be removed immediately, must be placed in such manner as to allow adequate and safe passage.

The Safety Manager will authorise areas where rubble and other material may be stored.

The Contractor will stay confined to the area of his work.

3. PERSONAL PROTECTIVE EQUIPMENT

Safety harness (parachute type) shall be used whenever work is performed at a height of 2 meters or higher unless a suitable platform with handrails is provided.

Suitable eye protection must be used whenever there is a danger of flying particles or splashing of chemicals.

Hearing protection shall be used whenever a noise zone is entered. Earmuffs shall always be worn whenever a jackhammer is used.

Gloves and welding helmet shall always be used for welding operations.

The Contractor is responsible to provide the necessary protective equipment and to ensure that it is used as required.

4. ISOLATION PROCEDURE

No one shall work above or on moving machinery, energy driven mechanical apparatus, electrical panel or switchgear unless it has been isolated from power or movement by means of applying a padlock on the main switch.

The Safety Manager must grant permission before padlock can be applied.

5. ELEVATED AREAS

No work may be performed above the heads of persons or aisles or roads unless suitable precautions have been taken to ensure the safety of persons and property below. The affected area must also be identified beforehand and effectively cordoned off.

All scaffolds and suspended loads must be left safe before leaving work at the end of each day – i.e. loads lowered to the ground, scaffolds securely tied down and all loose tools and equipment secured against falling.

Where scaffolding is erected, handrails, toe boards, etc., must be embodied and all such equipment shall be lowered to the ground under competent supervision.

6. TOOLS AND EQUIPMENT

Contractors shall provide their own ladders, trestles, scaffolds, lifting tackle, tools and portable electrical equipment.

Makeshift or unsafe equipment shall not be permitted on the premises and will be confiscated for the duration of the contract.

No insulation tape or similar may be used on any electrical wiring or cables. Joints in cables must be approved by the Safety Manager to use on the premises.

Contractors may not operate Parliament equipment, lifts and vehicles. In exceptional instances the Safety Manager may grant permission. In such an event, the contractor shall produce a valid Certificate of Competency as described in the Occupational Health and Safety Act. A copy of the certificate will be kept on the person of the Contractor who operates the above-described equipment. Any employee of Parliament may ask such Contractor to produce the said certificate.

All tools and equipment must be reported to Parliament Security whenever a Contractor enters or leaves the premises. It is the duty of the Contractor to ensure that articles or equipment are recorded in a Parliament register whenever it is brought on site.

7. PRECAUTIONS AGAINST FIRES

The Contractor shall ensure that his employees do not smoke anywhere on the premises except in identified smoking bays.

Paint, thinners, petrol, oil or any flammable materials shall be stored within a designated area.

The Contractor shall first obtain a Hot Work Permit from NDPW/ WSP before any naked flame or grinder is used anywhere outside a workshop.

The said permit is valid for one day only and shall be kept on the person who is using a naked flame.

The Contractor shall take all necessary precautions to eliminate all fire hazards and to prevent fire damage.

All fires shall be reported immediately to the Safety Manager.

8. HOUSEKEEPING AND FIRST AID

The Contractor shall uphold high standards of housekeeping.

The clinic on site will assist with first aid treatment if required. Should the employee require further medical attention, the emergency service provider will escort the person to the nearest hospital.

All surplus material and builder's rubble must be removed from the premises on completion of the contract or as otherwise specified by the Safety Manager. Parliament reserves the right to remove such material against cost within three days after completion of the contract.

9. TRADE UNIONS

No employees of a Contractor shall be allowed to actively further the interests of any Trade Union on site.

10. SECURITY

The principle of security fences must be upheld at all times.

Parliament does not accept responsibility for the safekeeping of any material, tools or equipment brought on site.

All portable tools or equipment brought on site must be removed at the end of the day's work.

11. PROCEDURE IN THE EVENT OF AN ACCIDENT / INCIDENT

The Contractor shall act as 'The Employer' in terms of Section 16 of the Occupational Health and Safety Act.

The Contractor shall report any injuries sustained by his employees to the Department of Labour and the Compensation Commissioner. The injuries and responsibilities are as defined in Section 24 of the Occupational Health and Safety Act.

All accidents / incidents shall be reported to the Safety Manager.

In the event of an accident causing the loss of a life or the possibility of the loss of a life, no person shall disturb the site at which the accident occurred or remove any objects involved in the accident before the arrival of an inspector from the Department of Labour.

12. SUB-CONTRACTORS

The Contractor shall inform the NDPW / WSP of any Sub-Contractors who may work on site.

The Contractor shall ensure that Appendix 1 is properly completed and submitted to NDPW / WSP prior to commencement of work.

The Contractor shall ensure that the Sub-Contractor complies fully with statutory and Parliament requirements.

13. USING OVERHEAD CRANES AND LIFTING TRUCKS

The following shall apply if the Contractor has to operate overhead cranes on site: -

The Contractor shall ensure that all his employees who have to operate a crane or lift truck to render services as stipulated in the contract, have had formal training as required by the Occupational Health and Safety Act.

The Contractor shall ensure that the training is valid in terms of the Act.

The Contractor shall present certificates of training to NDPW / WSP before work may commence.

14. FAILURE TO COMPLY WITH PROCEDURES

Failure to comply with the contents of this document could result in legal prosecution by the Department of Labour.

Noncompliance by the Contractor with any of the requirements as stipulated in this document could result in any or all of the following actions being taken by the Safety Manager:

The Contractor could be requested to leave the premises and the contract for the project tendered for would become null and void. All costs incurred by Parliament for such actions would be borne by the Contractor.

A specific member of staff who breaches this contractual obligation could be requested to leave the premises without delay and would not be permitted to enter the premises in future. Any costs incurred would be borne by the Contractor.

Equipment which would be deemed as unsafe would be confiscated by NDPW / WSP / Parliament and returned upon completion of the specific contract. Any costs incurred would be borne by the Contractor.

15. HAZARDS IDENTIFICATION

The Contractor must determine the degree of hazards related to the project tendered for, and implement precautionary measures.
